Meditation: “The Father is the cause, origin, and beginning of all things visible and invisible...has never been without His Son or without His Holy Ghost...and is called our creator by His power...By the Word, that is, by His Son, He has created of nothing the heaven, the earth, and all creatures as it seemed good unto Him, giving unto every creature its being, shape, form, and several offices...and He does also still uphold and govern them by His eternal providence and infinite power for the service of mankind to the end that man may serve his God” (Belgic Confession).
